FRESHMAN COUNSELORS' MEETING

There will be a meeting of all people interested in Freshmen (i.e., Freshman Counselors, friendly upperclassmen, etc.) on Monday evening in the Master Suite Lounge at 8 P.M. Deam Gray will talk on the Freshman curriculum and its success this year. Mr. Richardson of the Admission Office will present some pointers on the job of Freshman counseling. This is a very important meeting and will probably be our last before finals; so please be sure to attend.

DINNER FOR DEAM FASSETT

Dean and Mrs. Fassett have been invited to a special family style dinner on Wednesday evening. Dean Fassett has long been a friend of Baker House (at one time its House Master); this would be an appropriate time to honor him. Jackets and ties would be in order.

SOCIAL COMMITTEE SPEAKS OUT

See the Social Pole for details on the Friday Beach Boys Concert.
R At the time of this writing, I do not know the exact arrangements.
T The cookout and the Coffee House went well; many thanks to all
W those who helped. Special thanks to George Starkschall for running an
W efficient BWD.

R Plans are for a Master Suite Party this Saturday, assuming a
T Refreshment Director can be found. Again, see the Social Pole.

R There will be a beer and blanket party Saturday, May 14th. This
 T is the evening of the Selective Service Test; so come out and relieve
 W yourselves. \$2.00 admission for all you can drink. We have a
 W break-even point of approximately 90 couples--let's have that many.
 You wouldn't want to disappoint J&B. There will be a few people on
 each floor with tickets.

R There will be a Steak Fry on Saturday for those displaced resi-
 T dents of Fifth West and those double-0 agents who protected everyone
 W so well. Thanks to all the others who helped Baker's part of
 W Spring Weekend to go so well. The list would be too numerous to
 R publish.

T Remember the Party on the 14th. The last one of the term.

JOCK'S CORNER

High scores and victorious forfeits abound in this week's Softball record. "A" team trounced Burton 13-1 in 4 innings. (Burton quit after 4 innings because of embarrassment.) But "B" team lost to Phi Sigma Kappa in a close one (9-7). In a hard fought contest, the Hellcats lost to Chi Phi 31 to 29.

The Bearcats beat Phi Kappa Sigma by forfeit. Phi Beta Epsilon forfeited to the victorious Ballbusters. The Batmen lost to the Delts. In a spectacular and well-played game, Baker "B" lost to Burton "A" by one point; Rick Murphy, bringing the tying run in, was tagged out at the plate.

In squash the "Tutors" are still hanging in the tournament by pulling off a couple of colorful defeats. They are now assured of 4th place, at least. The 2nd floor team is now tied for 5th!

The bicycle race is this Saturday at 2 P.M. It will start behind the Armory on Vassar Street.

In Ping Pong we presently have 4 teams in the finals. Three of these teams are seated in the top 10!

Come one, come all: the intermural track meet will be held this Saturday beginning at 10 A.M. The preliminaries, however, for field events start at 9 A.M. on Saturday morning. Check bulletin boards for the arrangement of teams.

FOUND: An alarm clock was left in BWD last weekend. The owner may reclaim it by going into room 631 and correctly identifying it.

WANTED: Editor for B*L who has lots of spare time and isn't in a state of panic.

APOLOGY: To all Hall Chairmen who are moving to other floors, I extend an apology for your excoriation last week. After thinking things over, I arrived at the conclusion that the people to whom you have an obligation probably will be on other floors anyway; and the new floor members might want to elect someone of their own choosing and not settle for hand-me-downs.--ed.
