BUSINESS

This week's Execon meeting was unusually long because of the topics that we (Execon, the Floor Tutors, and the HouseMasters) discussed. Basically the topics addressed were the letters that appeared in the TECH concerning Baker's Urchin Alerts and Baker's Sex Goddess Competition. Here is a VERY brief summary of the discussion.

Urchin Alerts

Kate and Phil sent a letter in response to Mr. Morten's letter regarding the antagonism he received at Baker. However, we feel that the problem indicates that there is a problem with Baker's attitude toward urchins. The problem stems from the attitude of Bakerites toward visitors and the very small number of minority students housed here. The possible solutions that we came up will be addressed further during the House Meeting.

Sex Goddess

Various opinions were brought up but in the end it came down to whether to preserve Sex Goddess and have strong guidelines for the contest or ban it altogether. The discussion was basically over the issue of sexual harassment. It was agreed that it is not simply the contestants that are being sexually harassed but members of the audience and those that choose not to attend as well. Because of these arguments, the following motion was passed:

motion Kate/Shawn to eliminate Sex God & Sex Goddess Competition from all future Pubs at

Baker.

Because of the amount of discussion it was requested that Execon have a roll call vote:

Jina	{Secretary}	No
Shaun	{Treasurer}	Yes
Lisa	{Athletic Chair}	Abstain
Jeff	{Social Chair}	No
Geoff	{Social Chair}	No
Nelson	{JudComm}	Yes
Kate	{VPIR}	Yes
Shari	{VPRO}	Yes
Les	{VPFS}	Yes
Phil	{President}	Yes

MOTION PASSES

The topic of Sex Goddess will also be addressed at the next House Meeting....

NEW BUSINESS

Shari--All Execon members should have their excerpts written for the Baker Letter by Friday...

Appropriations:

- motion Jina/Shawn to approp. from Social (Roof/Floor) \$500 for the Champagne Happy Hour
- motion Jina/Shawn to approp. from Social(MBPP) \$1668 for the MBPP party
