BAKER HOUSE MINUTES

Execcon Meeting • Sixth West • February 20, 1994

Announcements

Adam - Prez: There was a Dining Committee meeting tonight. Surveys will be coming out Tuesday. Please fill them out, and help save Baker Dining!

Thanks to Dave & Aaron for a great New Year's Party!

(If it was a New Year's Party, how come when Adam woke up he had no idea what year it was?)

Grace - VPIR: The Cambridge LINKS program is looking for volunteers. It gives MIT students the chance to volunteer in Cambridge public schools. MIT students volunteer at the Morse School, which is about a 15-minute walk from Baker down Memorial Drive. Students may volunteer by helping out in kindergarten-8th grade science classes, helping to teach swimming classes, or volunteering with the chess club or solar car club. Interested students should see Ann in room 427 (5-7177).

There are professor sign-ups in the lobby for the **Faculty Reception**. Please sign the list so that we can get an accurate head count. If you sign up by Wednesday, February 23, you will get your prof's invitation in your mailbox. If not, you'll have to pick up invitations at the front desk. We will have **Live Music** at the reception, as performed by various Bakerites. The reception will be catered by the Next House chef. Alcohol will be served to anyone who is at least 21. (This includes profs!)

Thanks to Lisa Choi for showing me the ropes of VPIR.

First 1994 Execon Meeting • Lobby • February 13, 1994

New Business

Adam - Pres.: Time to appoint a new secretary and treasurer. In the case of a tie among new members, should the outgoing president or incoming president cast the deciding vote?

Roll call vote: 5 votes for outgoing president, 2 votes for incoming president, 1 abstention.

Candidates for Secretary: Jeff Temple

Jeff Temple elected Secretary. (And by a landslide over that other guy...)

Candidates for Treasurer: Monica Aliwadi, Michael Longcor, Tom Matusaitis, Iyad Obeid, David Robinson

David Robinson elected Treasurer in third round of preferential voting.

Various New Execon Members: 

Adam (to Jeff and Dave R.): Okay, guys, you're in. Here are your secret decoder rings.

Dave R.: Thanks Adam. (Dave reads minutes) Hey! You can't say that about my mother!

Thus, having added two more to its ever-increasing numbers, the galloping horde that is Execon began its annual rite of pillage and plunder, and created a budget. Budget cuts were made based on the best-out-of-three takedown rule. The exhausted (yet fulfilled) Execon members then hastily created an agenda for the House Meeting and adjourned for the night.

Motion by Jimmy to Adjourn.
